

### [Why Can I No Longer Access My Purchase?](#)

If you're wondering why you can no longer gain access to your program, then this article is for you!

We apologize for any trouble with accessing the program that you purchased.

First, make sure that you're on the right program.

Meaning, if you purchased Accelerator, then you will not have access to MIT, but if you purchased MIT, then you have access to MIT, Accelerator, and Quit Your Day Job.

If you're on the right program, we suggest that you sign out and sign back in.

If signing out and signing back in doesn't work, then you may no longer have access to your program.

Your access may have been revoked due to an outstanding payment issue with us.

To reinstate your account and bring it current, please reach out to our support team at [Support@100percentfinanced.com](mailto:Support@100percentfinanced.com).

Our support team will respond back within one business day.
