

Wholesaling Voicemail Script

1. Message should be 30 seconds via your google voice voicemail
2. Anyone who calls from one of your low cost or high cost marketing methods should receive this voicemail
3. See the voicemail script below.
 1. Hi, I'm JP - thanks for calling.
 2. I'm an investor who buys properties in your area
 3. Unfortunately, we're not going to pay retail for your house
 4. However, we can close quickly - we have cash
 5. If this works for you, please leave your name, phone number and your property address so we can call you back soon
 6. Thanks!
